

PEASLAKE VILLAGE HALL

THE WAR AND SPOTTISWOODE MEMORIAL HALL
(RCN 200618)

Walking Bottom, Peaslake, GU5 9RR.

Acceptable use of computer and internet services in Peaslake Village Hall.

Policy Statement

All registered Hall users are entitled to use the services.
If you are under 16 years of age you will need the written permission of your parent or guardian to use the internet.

Users responsibilities:

Please be aware of the following:

- Internet access at the Hall is filtered. However, we cannot guarantee all undesirable material will be blocked and the filter may occasionally block sites of interest
- The internet is not a secure medium and third parties may be able to obtain information regarding your activities. Be aware of this when transmitting confidential information such as address or credit card details
- All forms of material contained on the internet, unless otherwise stated, are protected by copyright
- You are responsible for observing the condition of copyright on each site you visit. Peaslake Village Hall does not accept liability should you breach copyright law
- You are not permitted to watch, record or download live television – either broadcast or streamed media, nor anything on BBC iPlayer, within the Hall or its grounds on any device connected to the Hall's electricity supply as per TV Licensing rules.
- The Village Hall does not hold a TV licence. For more information on the above visit: <https://www.tvlicensing.co.uk/check-if-you-need-one>

The Hall Committee:

- Is not responsible for the accuracy, completeness or appropriateness of the information supplied on the internet.
- Does not accept responsibility or liability for any claim, loss or damage resulting from your use of the service.
- Reserves the right for any Committee Member to deny user access to the internet service and to terminate any connection to subject matter which they deem unsuitable for a public environment. We also reserve the right to monitor sites visited by members of the public and report misuse to the appropriate authorities.

- Reserve the right for Committee Members to deny user access to the internet service and to terminate any connection of anyone carrying out any activity they deem unacceptable for a public environment
- Reserve the right for Committee Members to deny user access to computers and to terminate any session of anyone carrying out any activity they deem unacceptable for a public environment.
- Therefore you must assume full responsibility for you and your guests using these services.

Any breach of these conditions may result in the withdrawal of future access to the internet using Hall facilities and may also result in withdrawal of your Hall bookings.

THE HALL COMMITTEE **November 2024**
